

A Thought for Mother's Day

Mothers have a daunting task – to be a provider of health care for their children; to foster healthy minds by teaching their children spiritual values and guidelines by which to live. Although this sounds like plenty to do, there are many necessary, practical, mundane and lesser known jobs that they execute daily, all important to their families.

What if you technically aren't a mother? Does this much-celebrated holiday have any importance for you? Of course! We all have been mothered in our lives and for that we can always be grateful and show our appreciation and love. Interestingly enough, however, motherhood is really about nurturing. Even those who physically have never been a mother have the ability and passion to nurture others.

In an article published in U. S. Catholic, motherhood was discussed from just this perspective – nurturing and protecting life. It emphasized some very insightful points. When we are asked to mentor someone in a relationship, we are “mothering”. When we visit the sick in homes or hospitals, we are spiritually and emotionally “caring for God’s children.” When we work in a school, we are teaching by example as much as by our words – our presence being as “loving as a mother.” As for “spiritual mothers,” there are many religious and single lay women in our parish communities whose stories and examples of true faith are a light to us all.

So as Mother's Day is fast approaching, remember this prayer as it applies to you, to your mother, or to anyone who “fills the shoes” of a mother in all she does.

Dear Lord Jesus, help me to see how much I influence others through my own life. These lives that surround me, gifts you have entrusted to me as they grow to meet the challenges of life, are precious in your eyes. Help me to be the prayerful and loving example I should be. I ask for strength, insight, wisdom, and patience to love and nurture with holiness.

Happy Mother's Day from St. Charles Parish Health Ministry

From the Pastor

Dear Parishioners:

When Mrs. Fran Moore informed me that she would be retiring at the end of this academic school year, I quickly set up a Search Committee to find a new principal for St. Charles Borromeo School. I asked Mrs. Toni Moore, who has an extensive background in education, especially Catholic education, to head the committee. She readily accepted the position. We then added Mrs. Michelle Popp, a teacher at Alter and mother of four children at St. Charles and a member of the School Commission, Mr. Norm Rich, a teacher at Alter and father of two at St. Charles, Mrs. Elena Krumholtz, a faculty member at St. Charles, and Mrs. Jennifer Leen, the mother of three at our school. I also served on the committee. After advertising the position for a month, we reviewed the resumes of applicants and choose to interview three of them. All of us were pleased with those we interviewed. A week after the interviews we met and after some reflection and sharing of our thoughts, we unanimously agreed to offer the job to Mr. David Bogle. He accepted our offer and will become the principal of St. Charles Borromeo School this July.

Mr. Bogle is a 1983 graduate of St. Charles, a 1987 graduate of Alter High School, and received his undergraduate degree from Wright State University. He obtained his graduate degree from the University of Dayton. Mr. Bogle was on the staff of St. Peter Catholic School for twelve years as a teacher and in charge of technology. He also served as the assistant principal for five years and for the past three years as the principal of St. Anthony Catholic School. Mr. Bogle comes highly recommended by everyone with whom I have talked. His mother, Mrs. Joan Bogle, is a long time parishioner here at St. Charles. We welcome Mr. David Bogle to St. Charles Borromeo School.

The first annual Monte Carlo/Fish Fry was a huge success. In the bulletin I thanked a number of people who were so responsible for its success, including Mark Schweiterman, Maggie Collins, Bart and Katie Nye, Ann Bockrath, Dave Girouard, Don Rethman, Craig Hoschouer, Rob Miller, Brent Baird, Joe Jones, Catherine Sprauer, and many others. I forgot to mention a most important family name, the Hecht family, who has perfected the art of a fish fry. I am grateful to all who attended the evening and contributed to its success. We made over \$35,000 on the evening. The profits will be split between our athletic commission and the school. For this year it will primarily be going to the playground fund.

Finally, I am grateful to all who made our Holy Week so meaningful this year. I thank Brenda Tibbits, the Worship Commission, the Art and Environment Committee, Ted and Lisa Singer and all involved in our music ministry, our RCIA committee, and so many other parishioners who serve our parish so very well. I welcome our 35 new parishioners who entered the Catholic Church at the Easter Vigil. May God continue to bless them and all of our parishioners.

Sincerely yours in Christ,

Please call the Parish Office at 434-6081 when anyone is sick or confined so the parish may provide for their spiritual needs.

MONSIGNOR BRESLIN KNIGHTS OF COLUMBUS COUNCIL 14995

As we approach the first anniversary of the formation on the Monsignor Breslin Knights of Columbus Council 14995 here at St. Charles Borromeo, I would like to update the parish on the status of our council. During 2010, our council members donated over 5100 volunteer hours of service to the parish, the grade school, and the community. This included painting the restrooms in the school, landscaping the entrance to the PAC, and the parish picnic in the summer of 2010. We recently helped with the grade school spaghetti dinner on January 30 and the Monte Carlo/Fish Fry on March 25. Our council donated over \$2200 to the St. Charles Grade School and another \$550 to other local organizations in 2010. We will be providing \$250 scholarships to two graduating St. Charles eight grader students that will be attending a Catholic High School in the fall of 2011. Our membership has grown from 81 members to 110 members in the first year. We would like to thank the St. Charles parishioners for their support and we look forward to serving the parish for many years to come.
