Feast of St. Vincent de Paul

The feast of St. Vincent de Paul is on September 27. St. Vincent de Paul was a priest who lived from 1581-1660. He cared for the poor and for prisoners and founded many charities. The Society of St. Vincent de Paul carries on his good work. In recognition of this saint's work with the poor we will be collecting canned goods for the local food pantry. It has been brought to our attention that the local food pantries are in need of contributions and this is especially the fact at the end of the month. We are therefore asking each child to bring in a canned good on Tuesday, September 27 that will be delivered to the local food bank by Knights of Columbus. Thank you for your donation.

School Communication

To clarify our means of communication we will be sending out One Newsletter Email Blast this year. It is called the St. Charles Chatter. It will go out every Friday afternoon.
