Wedding Preparation Questions

Congratulations on your engagement! To prepare for our first marriage prep meeting we ask each of you to answer these questions separately on what a Catholic marriage means to you. Please fill in your responses on two separate forms and email to tnevels@stcharles-kettering.org. Fr. Tom will set up an appointment with you once all of your paperwork has been received.

Your name:	
1.	How have you discovered God in your love for each other?
2.	Both scripture and the Catholic Church teaches us that marriage is permanent and indissoluble. What are your thoughts on this?
3.	Why have you chosen to be married in the Catholic Church?
4.	What questions or concerns would you like to discuss during your marriage preparation?
