Treasurer's report

- Budget Update- Exc. Committee has approved the purchase of two classroom rugs and an industrial ice maker for the teachers lounge totaling approx. \$1,000.

President's report

- We are continuing to update the by-laws to include description of PTO Rep Role and responsibilities, please send your input, by-laws are reviewed and changed during the month of May, so please send them prior to that schedule meeting.
- Requesting submissions of photos for website, we hope to add your beautiful faces to your names, so parents feel confident in approaching you with ideas and concerns. The photo can be of only yourself or of your family, whatever your comfortability level is.

Committee Reports

Fundraising

- FNC – *Jessica Wenclewicz / Ashley Mantica* – Advertising and sale of tickets is ongoing and being pushed through Charger Chatter – 36 local companies have been contacted or have already committed donating to the silent auction portion of the event. This year there will be NO drive-thru, but take-out is available, there continues to be a pizza option. An additional tent for dining has been added with heating due to limited cafeteria space.

New Business

- Thanks to PTO funds new teacher laptops were ordered and are set for delivery Friday 2/6!
- Drop-off during the 2hr delays were especially well oiled due to extra help from staff. Suggestion for older kids (much like the safety patrol) to help during future drop-offs as a

way to streamline the process and earn volunteer hours. Mr. Bogle will look into the idea, but there is some concern on having kids in the parking lot during busy hours.
